

Documentation now in SmartExporter Help available

Several user guides and manuals will not be provided as PDF files anymore. Instead the documentation will be provided in the shape of a [SmartExporter Help](#).

Here is a list of the PDF files that will not be deployed anymore and the corresponding links to the current SmartExporter Help:

Name of the PDF file	Link to the SmartExporter Help
Documentation for SAP® components	
Add-On Installation EN.pdf	https://docu.caseware.net/SmartExporter/2024R1/Components/en/Content/Add-On/Add-On_Introduction.htm
Configuring existing SAP standard components for the use with SmartExporter.pdf	https://docu.caseware.net/SmartExporter/2024R1/Components/en/Content/SAP_Standard_Components/SAP_Standard_Components.htm
SmartExporter_SAP_Components_Manual.pdf	https://docu.caseware.net/SmartExporter/2024R1/Components/en/Content/SmartExporter_SAP_Components/Introduction.htm
Documentation for the Additional Data Sources	
SmartExporter_Additional_Data_Sources_Manual_EN.pdf	https://docu.caseware.net/SmartExporter/2024R1/Components/en/Content/ADS/GeneralManual/ADS_Introduction.htm
SmartExporter_Additional_Data_Sources_directDART_EN.pdf	https://docu.caseware.net/SmartExporter/2024R1/Components/en/Content/ADS/directDART/000_Introduction.htm
SmartExporter_Additional_Data_Sources_Reports_EN.pdf	https://docu.caseware.net/SmartExporter/2024R1/Components/en/Content/ADS/Reports/001_Introduction.htm
Additional Data Sources General	https://docu.caseware.net/SmartExporter/2024R1/Components/en/Content/ADS/General/002_ADSGlobal_Introduction.htm
